Post Show Report

Preface

The HITEX team is thrilled with the success of the 15th Edition of HITEX Hyderabad Kids Fair 2022, which saw a large turnout of 20,000+ visitors over the course of three days and participation from 97 exhibitors. The HITEX team would like to extend our sincerest gratitude to all the stakeholders who made the event a resounding success.

The event exceeded expectations and was vibrant with entertainment, education, and interactive activities for young children. It was an honor for HITEX to host Hyderabad's Largest Kids Fair and bring together families and children from the community to participate in the plethora of activities offered at the event. The enthusiasm and participation of the young kids were truly heart-warming.

HITEX is dedicated to hosting high-quality events that appeal to a wide range of audiences and is looking forward to continued growth and success in the future.

We would like to thank all participants, exhibitors, and visitors for their support and engagement, and we look forward to continuing to work together in the future to create memorable experiences.

Our team is already putting in concerted efforts to make the next edition of HITEX Hyderabad Kids' Fair bigger and better.

**Thank you again to everyone who was a part of this
