About the Carnival

The Kids Business Carnival – 2nd Edition is a unique platform inside the Hyderabad Kids Fair – 18th Edition, giving children aged 6–16 years the chance to become young entrepreneurs. Here, kids can set up their own stalls, showcase and sell products they create, and experience how business works in a fun and safe environment. The carnival helps children build confidence, improve communication, learn money management, and develop an entrepreneurial mindset, while families and visitors cheer them on.

Objectives

Develop Entrepreneurial Skills

Encourage children to think like entrepreneurs, create ideas, and run their own mini-business.

Boost Confidence

Help kids improve communication, decision-making, and leadership skills.

Learn Money Management

Teach children the basics of handling sales, savings, and finances.

Promote Community Spirit

Bring families and visitors together to support and celebrate young entrepreneurs.

Who Can Join

Children aged 6–16 years from Hyderabad and nearby areas can participate. Parents or guardians will be present for guidance, but the stalls will be managed by the kids themselves.

Event Format

Stall Setup:

Kids set up their own stalls with products they create.

Customer Interaction:

They interact directly with customers.

Money Handling:

They handle money and sales independently.
